**Subject:** Elementary Dress Code

On January 17<sup>th</sup>, Governing Board members amended the 2016-2017 Elementary Dress Code. Students are now permitted to wear sweaters with hoodies. The hoodie part itself however **must not be worn in the school**. We will be looking into requesting that the school's supplier "Promotion Innov" make available a sweater with hoodie for purchase. A reminder that students must abide by the Dress Code **colors (white, grey and red for the polo; black, blue and grey for the sweater; and black for pants, jeans and shorts)** and that Logos other than the S.A.A. logo are **NOT PERMITTED**. Please find attached the revised Elementary Dress Code.

Thank you!
