Students are responsible to carry their trays to the dish return area, keep the floor clean and wait to be dismissed.

During a fire drill or school evacuation students will leave their books, materials, bags, etc. in the classroom and walk quietly out of the school with their teacher by a predetermined route (posted in every classroom). Once outside, the students will remain with their teachers until the "all clear" signal is given. Students will then return to class in the same manner.

SCHOOL CLOSING

In the event that the school must be closed due to inclement weather or some other reason, the School Board notifies parents via the Sir Wilfrid Laurier School Board App and the SWLSB website.
