

GB Principal's Report Tuesday, January 17th, 2017

Term Two Parent teacher Interviews will be held on Thursday, February 16th, 2017; the reports should be e-mailed on February 15th.

Due to the school closure of January 11th, we have lost the April 24th floating ped day.

Releve 24 (Supervision Fees) Provincial Tax Receipt request form needs to be returned to the office by January 30th, 2017.

There are a number of teaching positions that are being filled at the moment due to illness, sabbaticals and maternity leaves. We have been interviewing candidates for the positions. Some of the positions have been filled and interviews are still being held for the unfilled posts. We are doing everything within our power to lessen the impact on our students. This is not an easy task as many schools are in a similar position.
