

January 18th 2018 - Governing Board Principal's Report

- Elementary IEPs have been reviewed after consultation with teachers.
- Elementary staff with the help of many dedicated volunteers held the annual Christmas Crafts activities on December 20th. Student really enjoyed and voiced their appreciation.
- On December 22nd was Pajama Day. Thank you to Sandra and Joe Morselli for preparing a delicious Christmas Breakfast for the whole school. This activity was made possible with fundraising from our SAA Parent Participation Organization. Elementary students were also treated to an afternoon at Cinema Pine.
- January 16th SAA Girls' Basketball Teams visited College Laurentien for two friendly afterschool games.
- Samuel Altarac, science consultant from our Board, came in to work with our Grade 4 teacher Kellye Peters and some of our High School science teachers.
- On January 10th our Physical Education teacher Hugh Cook and the principal took part in pre-conferencing, observation and post conferencing activities all while being filmed by Tim Foreman. These videos will be used at the next workshop for principals – 3 year professional development to improve principals' pedagogical leadership and coaching competencies.
