

## October 2nd 2017 - Governing Board Principal's report

- Beach Day went well. The weather cooperated.
- School nurse has been in to update files; health issues, allergies, etc.
- Staff were invited to a presentation by Katja Leccisi on nutrition and how to integrated healthy life style choices in educational activities.
- Teacher have attended workshops on teaching strategies to help students with special needs.
- Chantal Paquin, WOTP behavior technician, is on leave. She is being replaced by Jason Irven until her return.
- Tyson Heung, HS teacher, will be our ABAV Safe School coordinator. He attended the PSD workshop. We will be revisiting the plan shortly.
- H. Cooke attended the RSEQ regional meeting.
- J. Colatosti is doing after school basketball once a week until Mr. Wilmot starts his Wednesday after school basketball club.
- General Assembly turnout was low despite the lovely petit goûter prepared by Mrs. Morselli and preparation from teachers.
- Elementary resource teacher and High School supporting teachers have been reviewing files of students with IEPs. A consultant was in to help define recommendations has to who would need testing from our professionals (OT, SLP or school psychologist).
- Principal attended a meeting at the School Board with director of PDS to discuss June exam results. The focus of the MESA will remain Math/Science in Elementary and High School as well as Safe School at EL and Dropout Prevention at HS.
- Measures – The MESS is allocating new funds to schools to hire more attendants and behavior techs.
- Rentals - Karate Shotokan (2 evenings/week) and Adult Basketball (1 evening/week) renting the gym.
