

Principal's Report May 15th, 2017

At the Council of Commissioners Meeting of April 26th, 2017, they passed the administrative changes for 2017-2018. Mrs. France Celestino has been appointed principal of Ste. Agathe Academy. Congratulations and best wishes to France on her appointment. France will be invited to the June GB meeting.

The Mindfulness Program will be wrapping up this week. The program was well received by our students at most levels. It was all about providing strategies for our students to cope with situations that present themselves in their lives.

French @HS Mr. Yvan will be doing tutorials for the sec 4-5 students in four sessions prior to their French exams. The students will be invited to attend the sessions.

The Guardians of the Children were at SAA for snack & learn lunch for the secondary 1, 2 and 3 students to present their anti-bullying message to the students.

On Friday, June 9th, 2017, the last day of classes for the high school we will be having a BBQ and games for both the elementary and high school students. It will be a fair type of atmosphere with games and inflatables. The parents will be invited to attend as well. We will need volunteers at the various activity stations. There is a possibility that the Guardians of the Children will be here to volunteer on that day.

The Montreal Shakespeare Theatre Company was here on May 11th to present their version of Romeo and Juliet. Students from grade 1 to secondary 5 had the opportunity to watch the play. The Arundel Elementary students from grade 6 visiting SAA for orientation were invited to the play.

The High School girls involved in Fillactive/FitSpirit attended a race at Parc Maisonneuves Rosemount in Montreal on May 9th. Approximately 50% of the girls in HS participated from all levels.

The Secondary 1 and Kindergarten Orientations were held on May 11th and May 12th.

Enrolment for next year as of May 10th: 106 students for the elementary and 116 students for the high school.

At the end of May, our sec 5s have been invited to participate in the annual Drunk Driving Accident simulation at the Polyvalent des Monts. The students would leave towards the end of period one, the simulation begins at 10:45 a.m. and return during period three.
