**Approval of agenda:** Agenda was approved.

**Approval of minutes:** February minutes were approved.

**Finances:** We currently have approximately \$1500 in the PPO account (to be confirmed next time).

**Wine Raffle:** Amount raised was approx \$1400. Thanks to Fiamma and Sandra for stepping in and pushing sales. Well done team! Live draw on facebook was brilliant!

**Community Yard Sale:** Walmart doesn't seem too keen on the yard-sale idea, **Vivianne** knows of a space we could try – she will ask for the Yard Sale Weekend in May 19/20/21? Idea would be to 'rent' tables to anyone who wants to sell their own stuff, then SAA would have several tables to sell donated items. Another option would be to set up a SAA table outside Tania's Maison 1890 if we just want to do a SAA table that weekend. **ALL** decision needed next time.

**Walmart Bagging** over Easter Weekend. Chantal will clarify if Sec 5s want to use this to raise money for prom. **Chantal** will let us know how many of us are needed to support.

**Vesey's Bulbs:** Project team is Vivianne, Tania & Jo. **Jo** will order brochures and Sales Campaign Kit and will complete the paperwork side of the project. **Tania and Vivianne** will be the "Faces" of the campaign and will visit each classroom to launch it and boost sales. We'll add a sticker to each brochure with instructions and Tania has offered to be the contact person for any phone or email questions. Launch March 22 > three-week sales push > deadline April 12<sup>th</sup>. Bulbs should arrive early May when we'll need **all** hands to pick and pack orders for distribution.

**Teacher Appreciation Lunch:** Project team is Renée, Mariève & Tania. Date for the lunch is Wednesday May 10<sup>th</sup>. **Renée** will drive the emails for volunteers and food donations. **Tania & Mariève** will coordinate the day. Jo will send last year's info to the team.

**Sapins de Noel:** on hold till further price info is received.

**PPO reception at Play:** **Bryan** will ask Ms Satz if she would like us to host a reception before the Play on May 4<sup>th</sup>. We could have coffee and snacks/bakesale/popcorn etc. We could even offer to babysit with a kiddie movie in a classroom while parents go watch the play?? Proceeds could be split between PPO and Drama Club. **ALL** decision next time.

**Summer Carnival:** Bryan shared that he'd like to have a summer party for the whole school, so we will combine this with our foamfest idea and have a Carnival. Proposed date is Friday June 9<sup>th</sup>. Ideas include inflatable play structure, foam machine, dunking machine, pie-throwing, carnival games for all ages, obstacle course, 50/50 draw, hotdogs, bakesale, popcorn, etc. Starting in the afternoon and continuing later to include parents. **ALL** bring ideas to plan next time. (GB note: Grade 6ers would love to help)

**Spaghetti Supper:** discussed moving this to September's curriculum/meet the teacher/General Assembly night. Start with supper, offer a raffle ticket for \$\$ off school fees that will be drawn at the end of the Assembly (genius idea Renee!!) to make people stay!

**Requests for Funding:**

None received

**Any Other Business:**

**BMO Make a Wish:** We need to encourage everyone in our community to “make a wish” online – it’s an easy process and the more wishes we log, the greater the chance of getting one granted. **Melanie** will forward to **Chantal** to post on facebook asap. <https://www.bmo200.com/>
